HOWDY WILCOX TO CLIMB HIGH HILLS

When Events by the Worcester Auto Club Are Pulled Off Soon.

Two National cars have been shipped to Worcester, Mass., where Wilcox will drive them in the Dead Horse Hill Climb, held under the auspices of the Worcester Auto Club. This event will be held August 12, and is considered one of the most important hill climbs of the year. Wilcox will be competing with some of the most experienced and skillful drivers in the game at this place, as the entry list now includes several different makes of high powered foreign cars. However, from the showing made in the past and especially this year, Wilcox expects to make a creditable showing. He has developed into a skillful driver in hill climbing events as he is on the straightaway. Howdy seems to have gone into the record breaking business. At the Cincinnati Hill Climb he lowered the record for Stanley Hill from 31 seconds to 25 1-5, when driving the National 50. From Worcester Wilcox will go to Elgin, entering the National training camp there preparatory to the Elgin National Road Races August 25 and 26.

Don Herr, the rising young National pilot will appear as Wilcox's team-mate at Worcester. Herr has been connected with the National company for some time, and is not a new entrant into the field of gasoline heroes. He has several victories to his credit made on the Indianapolis speedway. At Brighton Beach July 4 Herr made a good showing for himself and his National 50, demonstrating his ability as a dirt track driver. From now on Herr will devote more of his time to the racing game than he has in the past, due to the retirement of several of the older National pilots, and the policy of the National company in developing new drivers from the factory who desire a chance at the gasoline spot light.

GOOD GAS WELL.

Dufor and Sperry Brothers are drilling in a good gas well on the John J. Davis land just south of the city. It is making two million feet in the fifty-foot sand.

TICKET SALE

For the Baseball Excursion to Parkersburg is Starting Well.

Several hundred persons will go on the baseball excursion to Parkersburg Sunday morning leaving here at 8:30 o'clock on a special train, which will start at Weston. What are known as refreshment tickets are selling rapidly at \$1 each.

These tickets take the holders to the island from Parkersburg and back to the city and entitle them to all the eating privileges at the big ox roast on the island, where a game of baseball will be played between the Clarksburg and Parkersburg bar boys. Railroad tickets for the round trip may be had at the ticket agent's office at \$1 each. Refreshment tickets are on sale at the Manhattan, Metropolitan, Oak, Model, St. Charles, Connell, Frank McDonnell, Windsor and Welch and Kiggins saloons and at the Gore bowling alleys. In connection with the sale of these tickets, Our Boys band will give a free concert on the court house lawn at 8 o'clock Saturday night.

TROUBLE

Men on Car Line Busy Repairing Break from Falling Tree.

The heavy winds of last evening blew a tree across the high tension wires of the Fairmont & Clarksburg Traction Company's interurban line at Lucas Mills, breaking the line. Service on the interurban and also the city lines was delayed until the break was repaired.

Repairs were sent from Clarksburg and Fairmont and they had the damages patched up before late in the night. The portable substation at this end was cut in and the city lines were operated from power secured from the electric light plant.

TEXANS TO FIGHT LIQUOR QUESTION

All Over again as the "Drys" are Not Satisfied with Results.

HOUSTON, Tex., Aug. —The prohibition question in Texas appears as irrepressible as a popular song. Although the proposed statewide prohibition amendment was defeated July 22 by a majority in excess of 6000 the prohibitionists are planning an unique contest.

At a meeting of the executive committee of the faction following the announcement of the result it was decided to carry the protest before the legislature and secure a general investigation of the election. In the enthusiasm of the moment the committee resolved to secure an investigation of all subsequent elections on the liquor question, while a former governor asked that the two elections that placed him in the executive chair twice in succession also be investigated.

Whether the Texas legislature will wish to tax itself with this burden remains to be seen. The legislature is now in session upon the call of the governor and according to the

laws nothing but matters submitted by the governor may be considered at this session. As Governor Colquitt is an anti-prohibitionist it is hardly possible that the question which for two years has embroiled the entire State of Texas will be prolonged since it has been decisively settled.

Before the election "political peace" was the motto of both sides. Now it appears that instead of political peace the skeletons of political battles of years gone by will be dragged from the closets and aired unless repressed by a wise legislature which has the good of the state at heart instead of personal political ambition.

Miss Pearl Jarvis, of Springdale, Ark., is a visitor at the home of Mr. and Mrs. Howard Post on Dale avenue. She is a daughter of Mr. and Mrs. Charles Jarvis, formerly of this county and a niece of Mr. Post.

Madam Ulman will open her beauty parlors in the Goff building, fourth floor, August 15. Ladies exclusively.

25 PER CT. OFF

your members and if I can be of further assistance to you, please do not hesitate to write me.

ODD FELLOWS BANQUET.

A local degree team of Odd Fellows conferred the first degree on five members of the Adamson lodge at a meeting of the local lodge Tuesday night. The work was cleverly done. After the degree had been conferred, an enjoyable banquet was indulged in.

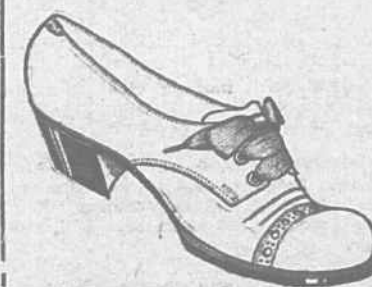

L. W. Bartlett, of Buckingham, is here on a business visit.

VACATION DAYS ARE OVER AT THE "OUR WAY" STUDIO. We have some new ideas this year for the Holiday trade. One of the very latest is the home portrait effect in photography.

These are how very popular in the East. My studio is especially fitted for this work. Those desiring this class of work will have to have their sittings made between 10 a. m. and 3 p. m., as we use day light exclusively for this work.
